MUSICFEST

York St John's University
Tuesday 13th June 2023

We aim to celebrate music-making across the region with our first Music Festival, which will offer an opportunity for your music groups to perform and for all to hear and support others.

It will be an all day event from 10.30 – to early evening and we chose this venue as it has excellent transport links for the county and a lovely campus and performance spaces and really helpful staff.

Information about registering is on the YAHR website <https://yahru3a.uk>

The cost is £15.00 per head, to cover the venue hiring charge and refreshments. Both audience and performers are asked to register and pay to cover these costs.

THE PRACTICAL STUFF.

Date: Tuesday 13th June 2023

Time: 10.30 – c 6.30pm (Registration and coffees from 9.45)

Location: York St John's University. See <https://www.yorksj.ac.uk> (NB This is the one near the city centre, NOT the larger University on the outskirts of York, at Heslington)

Access: Once on the campus, there is level access throughout.

Refreshments: there will be a voucher system to identify MusicFest attendees, with a number of drinks stations around the venue. A buffet lunch is included in your registration fee – voucher to be used. There should be more than one location for your lunch and outdoor space to picnic, if fine.

Stewards: we hope to have a number of stewards on site to help you navigate the three performance spaces and lunch venue. It is only a small, level campus – you won't get lost.

Transport: For Google maps use YO31 7EX. It is just outside the city walls to the North of the city centre, by the junction of Gillygate, Haxby Road (B1363) and the Lord Mayor's Walk.

We advise you to use public transport as much as possible, as York city centre parking is limited and/or expensive.

It is about 10/15 minutes walk from the train station. There are local buses between the station and St John's.

Parking: Information re Park & Ride is here

Information on car parking is here <https://www.York.gov.uk/CarParks>

(Union Terrace car park is just opposite the venue. Coaches should reserve a place, as York gets full of visitors in summer).
