## DIRECTIONS TO ST GEORGE'S CENTRE.

This is a city-centre location within relatively easy reach of public transport. As parking is limited (and expensive) in a city centre, it is best to avoid bringing your car. If necessary, you can find parking via Google, perhaps The Light is the nearest. There are frequent buses from the station to the Infirmary, very near to the venue.

For travel directions please see: <http://www.stgeorgescentreleeds.org.uk/find-us.html#>

**NB – If you Google 'St George's Centre, Leeds – there are TWO of them – check you have the one on Great George's Street LS1 3DL, not the NHS one in Middleton.**

Our room is on the ground floor and should be fully accessible. If you need permission to use their own (very limited) disabled parking space please e-mail Angie Grain to arrange.
